- The kick-off is taken at the center spot.
- The game will be re-started from the center circle after every score.
- The ball has to move forward at kick-off to start the ball in play.
- Each player must be in his or her half of the field.
- Each player on the non-kicking team must be outside the center circle.

In addition to the rules listed above, our league also has age-specific rules for start of play:

Law #10 - Method of scoring

The ball must COMPLETELY go across the line into the goal.

Law #11 – Offside

One of the most complicated laws of the game. The basic concept is that a player must have at least one defender (not including the goalkeeper) between him and the goal WHEN the ball is played to him. Also, to be offside, the player must be in the opponent's side of the field and looking to gain an advantage.

In our league, the offside rule is modified depending on the age group:

Age	Offside Rule
U5	Offside will not be called.
U6	Offside will not be called.
U7	Discourage "cherry picking"
U8	Discourage "cherry picking"
U9	(See section J. Build Out Lines)
U10/U11	(See section J. Build Out Lines)
U12/U13	The center referee will enforce FIFA Offside rules
U14/U15	The center referee will enforce FIFA Offside rules

Law #12 – Fouls and Misconduct

At the youth level most fouls are due to pushing, holding or tripping, and result in a free kick. Other ones to watch out for are handballs and charging.

- Handball only called if player purposefully uses his/her hand and not when he/she is defending him/herself.

Law #13 – Freekicks

There are two types of freekicks, direct and indirect. At the youth level most free kicks are classified as indirect. This means a goal may not be scored until the ball has been played or touched by a second player on either team.

Age	Freekicks
U5	All freekicks are indirect, which means a goal may not be scored until the ball has been played or touched by a second player of either team. Players should be 4 yards away from the kicker.
U6	All freekicks are indirect, which means a goal may not be scored until the ball has been played or touched by a second player of either team. Players should be 4 yards away from the kicker.
U7	All freekicks are indirect, which means a goal may not be scored until the ball has been played or touched by a second player of either team. Players should be 4 yards away from the kicker.
U8	All freekicks are indirect, which means a goal may not be scored until the ball has been played or touched by a second player of either team. Players should be 4 yards away from the kicker.
U9	The center referee will determine if a freekick is direct or indirect, according to FIFA rules. Players should be 8 yards away from the kicker.
U10/U11	The center referee will determine if a freekick is direct or indirect, according to FIFA rules. Players should be 8 yards away from the kicker.
U12/U13	The center referee will determine if a freekick is direct or indirect, according to FIFA rules. Players should be 8 yards away from the kicker.
U14/U15	The center referee will determine if a freekick is direct or indirect, according to FIFA rules. Players should be 10 yards away from the kicker.

Law #14 - Penalty Kick

If a player commits a foul in their own penalty area, a Penalty kick will be awarded. The penalty kick rules for our league depend on age group:

Age	Penalty Kicks
U5	There will be no penalty kicks.
U6	There will be no penalty kicks.
U7	Penalty kicks will be taken from the top center of the penalty box.
U8	Penalty kicks will be taken from the top center of the penalty box.
U9	Penalty kicks will be taken from the spot indicated by the center referee, 10 yards from the goal.
U10/U11	Penalty kicks will be taken from the spot indicated by the center referee, 10 yards from the goal.
U12/U13	Penalty kicks will be taken from the spot indicated by the center referee, 12 yards from the goal.
U14/U15	Penalty kicks will be taken from the spot indicated by the center referee, 12 yards from the goal.

All players shall remain outside the penalty box, with the exception of the defending goalie and kicker, until the ball is kicked. The kicker may not kick the ball again until it is touched by another player on either team.

Law #15 - Throw In

The Throw In rule has been modified for different age groups in our league. Balls over the sidelines will be restarted by the other team as follows:

Age	Throw In Rule
U5	New Ball. When the ball goes out of bounds, the coach/referee will throw a new ball into play. (See Section I. New Ball)
U6	New Ball. When the ball goes out of bounds, the coach/referee will throw a new ball into play. (See Section I. New Ball)
U7	Kick in. Ball is placed on the line where it went out of bounds. Other players stand at least 3-4 coach steps away from the ball. Player kicks the ball back into play, and cannot touch the ball again until someone else touches it. Goals may not be scored on kick in until touched by another player.
U8 U9 U10/U11 U12/U13 U14/U15	Throw In. Goals may not be scored on throw in until touched by another player.

The thing to teach your players is both feet have to be on the ground, must have two hands on the ball, and the throw must come from behind the players head. The penalty for a bad throw in is that the opposing team gets the ball.

Law #16 - Goal Kick

A goal kick is granted when the attacking team kicks the ball over the goal line. The kicker may not touch the ball again until it has left the penalty area and has been touched by another player on either team.

Age	Goal Kick Location
U5	New Ball. When the ball goes out of bounds, the coach/referee will throw a new ball into play. (See section I. New Ball)
U6	New Ball. When the ball goes out of bounds, the coach/referee will throw a new ball into play. (See section I. New Ball)
U7	The ball is placed on one of the corners of the goal box (the smaller of the two boxes in front of the goal). Defending players should remain outside the Penalty Box and not touch the ball until it is out of the Penalty Box.
U8 U9 U10/U11	The ball is placed on one of the corners of the goal box (the smaller of the two boxes in front of the goal). (See section J. Build Out Lines for instructions regarding opponent positioning.)
U12/U13 U14/U15	The ball is placed on one of the corners of the goal box (the smaller of the two boxes in front of the goal). Defending players should remain outside the Penalty Box and not touch the ball until it is out of the Penalty Box.

Law #17 - Corner Kick

A corner kick is awarded when the defending team kicks the ball over their own goal line. A goal may be scored directly from a corner kick. Corner kicks are taken from the corner flag.

U5s and U6s will NOT use corner kicks. New Ball will be used instead (See Section **I. New Ball**).

Substitutions

Substitutions may occur at the following times:

Age	Substitution Rule
U5	Substitutions may occur at any time (on the fly)
U6	Substitutions may occur at any time (on the fly)
U7	At any stoppage (prior to a kick off, throw-in, goal kick or after an injury)
U8	At any stoppage (prior to a kick off, throw-in, goal kick or after an injury)
U9 U10/U11 U12/U13 U14/U15	<ul style="list-style-type: none">• After a goal• Before a goal kicks• Before throw-ins on your possession• Before throw-ins on opposing possession if the team in possession is subbing• at the referee's discretion ie: in the event of injury• at halftime No substitutions before a corner kick. Observe proper substitution protocol.

Protocol: When substituting players prior to a throw in with a league-supplied referee, players should not enter the field until the center referee signals them to do so, and not until other players have left the field.

Z. Other League Rules

Playing Time:

Every attempt should be made to give each player on your team **equal** playing time. At the minimum, each player should play at least 50% of each game, unless the player does not want to play or is sick/injured.

Note 2: Do not use playing time during games as a punishment.

Sportsmanship:

- Opposing coaches are to shake hands prior to kick-off.
- Players are to shake hands after the game.
- Teams should not exceed a 6 point goal differential. **No Exceptions!**
